

November 12, 2018

As we approach year-end, I thank you for your partnership in building a strong, vibrant and inclusive region rich with resources and opportunities.

A fund for the future

When we reflect on our abundance this Thanksgiving, we are also reminded of the needs that still exist in our community — and the unknown needs that tomorrow will bring.

We can't predict the future. But through a new endowment, the Greater Dubuque Forever Fund, we can prepare for a quick response to unforeseen opportunities, social concerns or natural disasters. A gift to this fund is a chance to invest in the area's most important issues, initiatives and needs — forever.

Support your causes and passions

The Community Foundation is proud to host over 240 nonprofit endowments that give back every year, providing an annual boost to nonprofits and the people they serve. Giving to an endowment you care about will help ensure stability year after year.

Endow Iowa Tax Credit

Your gifts are eligible for a federal charitable deduction, and as a resident of Iowa, your endowed gift of \$50 or more is also eligible for the Endow Iowa 25% state tax credit. Endow Iowa tax credits have been expended for 2018, and 2019 credits are being depleted quickly. Be sure to return your Endow Iowa tax forms to our office as soon as possible.

Gifts of appreciated assets, such as stocks or bonds, also make an impact on the important missions of our nonprofits. For guidance with any type of gift, please call our office.

Thank you for considering a year-end contribution to strengthen our community.

With gratitude,

Nancy Van Milligen
President and CEO

Small seeds of gratitude will produce a harvest of hope.

Thank you for choosing to invest in our community's future. To take advantage of the Endow Iowa 25% State Tax Credit, a minimum gift of \$50 per fund is needed. Please indicate your gift next to the fund name and your total gift at the bottom of the page.

Please consider a gift to one of the CFGD'S funds to support our work in engaging community members to create real and lasting change.
