December 10, 2021

Dear Foundation for Dubuque Public Schools Friends and Families,

As 2021 comes to a close, we invite you to celebrate with us the achievements you helped the Foundation for Dubuque Public Schools accomplish this year. Your investment in the public schools helped to enhance education for students and empower our educators to make a daily difference in the lives of our students. In 2021, your donations helped to make it possible for us to award the Dubuque Community School District almost $150,000 to support projects and programs that are not covered by the school district’s annual budget. These funds have been used for professional development for staff in the area of social emotional learning, essential items for students in need, expanding STEM activities to Middle School students, literacy books, teacher grants, and so much more. We are grateful! We are providing the schools the resources to ensure every student in the Dubuque Community School District succeeds.

We ask you to invest once again in the lives of students by making a gift to the Foundation for Dubuque Public Schools today. Your gift has an impact on the lives of students and will make a lasting difference.

As we look towards 2022 and a brighter year, we will work closely with the Dubuque Community School District to evaluate the current needs and provide funding in those areas. One area of focus will be Brain Health and providing the resources many of our students need. We are grateful for our donors, volunteers, board of directors, teachers, and community for helping us support dynamic learning throughout all of our schools during this very turbulent and unpredictable time.

You are an essential part of the foundation and its investment in the education and future of our students and community. If 2021 has been good to you, please consider a year-end contribution to one or several of our funds so we are able to enrich the lives of our students every day.

Thank you,

Zach Hodge, President
Amy Unmacht, Executive Director

P.S. We ask you to consider the difference you can make in the lives of students with a gift to the Foundation for Dubuque Public Schools today.

For a complete list of funds you can donate to, please see the back of this page or visit www.dbqfoundation.org/FDPS.
